<u>***DEAW – 2º DAW***</u>
<u>***Installing VirtualBox and Ubuntu Server 22.04 LTS. Creating their installation user guide***</u>

Task. Implement the following steps:
<u>Step 1</u>. Download the VirtualBox virtual machine. You can download it from the following URL:

https://www.virtualbox.org/wiki/Downloads

<u>Step 2.</u> Install, step by step, VirtualBox software and create a user guide for the installation at the same time. You should include some installation screenshots and describe what the user has to do in order to install the software. The following contents are compulsory in the user guide:
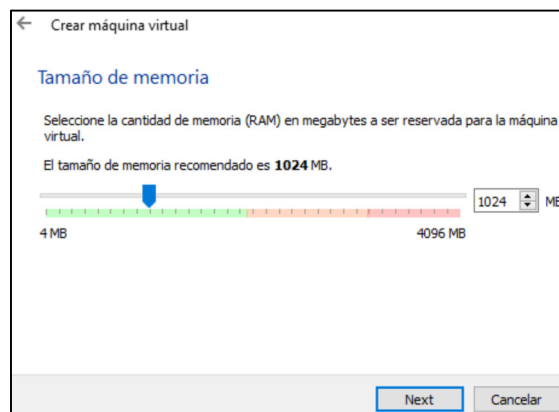

0.- A **cover page**, an **index of contents** and **numerated pages** that must be included in the index.

1.- **Introduction.** This point must describe what is VirtualBox and the problem that solves.

2.- **System Requirements.** The document must indicate the architecture, the operating system supported, and how to download VirtualBox.

3.- **VirtualBox Installation.** This section has to describe how to install VirtualBox and include some screenshots. A caption must be added in each image and cited in the text. Here you are an example:

In order to create the virtual machine, memory size must be defined. Figure 1 shows how to create it.

Figure 1. *Memory size*

4.- When you finish the virtualBox installation, install Ubuntu Server 22.04 in a virtual machine. Describe this installation in your document and add the important screenshots like VirtualBox documentation. *You must to create a user that identifies you as follows: for example, if the student's name is Alberto Gomez, his user name will be agomez.*

<u>**IMPORTANT:**</u>
- **Ubuntu Server 22.04 LTS ISO image can be downloaded from Ubuntu site.**
- **The document must be written in English.**
- **The student must write in the cover page the following information: name, surname and year of vocational training (2nd year of DAW).**
- **Deadline: September 26th, 2023 until 11:55 p.m. (23:55h).**
- **Filename format (PDF): Task0-InstallationGuide-nameSurname1Surname2.pdf**
